Is it there?

Yes – here it is!

4 Match the topic sentences to the paragraphs.

Know yourself.
Sleep.

You can improve your memory.
Don't be afraid of tests.

There are lots of ways to learn.
Put your learning into action.

Maximise your Learning

a _____

In the following article, I'll describe the main ways to improve your understanding of any subject.

b _____

You can improve your ability to remember facts by writing things down, repeating things or by linking words and pictures.

c _____

For many students, learning is about reading books and listening to lectures. Many people believe that if you put your new skills into action, you will remember them better. So try playing that sport, doing that craft, or teaching someone your new knowledge.

d _____

Some people believe that you should adapt to your learning style. If you learn visually, then make sure you draw and look at images. If you like listening, then record the lecture and listen to it.

e _____

Have a break from studying and test yourself. Taking tests can really boost your learning. It helps you recall information and practise exam techniques.

f _____

Many people start to panic as a test or presentation gets nearer. They stay up late studying and don't have enough rest. Sleep boosts your memory and makes you happier.

5 Put the words in order.

a websites / He / English / read / doesn't / .

b use / I / on / do / phone / English / my / .
