**4**  You're going to listen to four short conversations. There are two questions for each (below).

**Before you listen, discuss in pairs:**

- a What information do the questions give you?
  - b What type of information do you need to listen for?
  - c Can you guess the information, or have a good idea of it?
- 1 Where are they going to have pizza?  
What else are they eating?
  - 2 Who is Sam going to the café with?  
What time are they going?
  - 3 Which famous actor is in the film Dave is going to watch on Sunday?  
What test does Chen have on Monday?
  - 4 What is Tom preparing for Chen's birthday?  
What type of festival is Fatima going to at the weekend?

1

**Fatima** A group of us are going to Tom's flat for a pizza later. Would you like to come?

**Jack** Yeah. That's a great idea. What time?

**Fatima** About 7.00. Tom's ordering the pizzas and I'm doing some salads.

**Jack** Sounds good. See you there.

2

**Sam** Are you doing anything after class?

**Olga** Just taking some books back to the library. Why?

**Sam** Well, I'm going to Café Coco with Maria. Would you like to come?

**Olga** Yeah. I'd love to. What time?

**Sam** We're going straight after class, so around five.

**Olga** OK. See you then.

3

**Dave** Have you any plans for Sunday, Chen?

**Chen** Nothing special. Why?

**Dave** Would you like to go to the cinema? There's a new Brad Pitt film. The reviews are very good.

**Chen** That sounds great, but I can't. I've a chemistry test on Monday and I need to prepare for it. Sorry. Maybe another evening?

4

**Tom** Are you busy next weekend, Fatima?

**Fatima** Yeah, quite busy. Why?

**Tom** Well, it's Chen's birthday on Saturday and I'm organizing a barbecue for him in the evening. Would you like to come?

**Fatima** Well, I'd love to, but I can't. I'm going to a music festival with some friends.

## Over to you
